

Events and Costs

The school organises a very wide range of events, excursions and major trips along with musical and sporting activities. Successive consultation exercises with parents have indicated a desire to maintain and even expand such opportunities along with a willingness to pay for them.

The school is, however, conscious of the many demands made upon the parental purse. This leaflet offer an overview of the key activities in which most pupils take part and their costs. These may change in future years, but the overall pattern is likely to be similar.

Primary

Primary 1	Cost	Primary 2	Cost
Christmas Party	4.00	Christmas Party	4.00
Fairy Tales Workshop	5.40	Farm Visit	4.40

PTA Family Ceilidh	Family	£10
PTA Quiz Night (Team of 4)	All	£30

We wish to thank the [Jordanhill School Educational Amenities Trust Fund](#) for subsidising many of these events and for the support offered through the Benevolent Fund.

PTA have also funded the Pantomime for all Primary pupils and Drama Workshops for all S1 pupils.

As pupils move up through the school their interests diversify.

Especially in the senior phase S4-S6 they will be taking different subjects and be participating in different co-curricular activities.

Departments may organise specialist careers oriented day trips which have an entry fee and travel cost.

Modest charges are levied for materials in Art, Home Economics and Design & Technology to allow pupils to choose their own materials and keep the products.

Other than in S1 and S2 it is not meaningful to calculate a likely total cost.
