For more information on each course please see below.

## Cyber Security

Glasgow Clyde College – Cardonald Campus  
**SCQF Level 6** – Open to S5/6 Pupils

### Course Outline

This National Progression Award is made up of 3 SQA units of study, each taking around 36 hours of class attendance.

The National Progression Award (NPA) in Cyber Security can be delivered at level 4, 5 or 6 and provides foundation knowledge and skills in data security, digital forensics and ethical hacking – providing a skills pipeline into the Cyber Security industry.

This course is designed to raise awareness of Cyber Security and fill the current skills gap in this field.

It will encourage you to improve your cyber hygiene and resilience, and enable you to identify security vulnerabilities safely, legally and ethically. It will also help you to contribute more safely to virtual communities. This award will prepare you for further studies and future employment in this area. The aim of the award is to produce knowledgeable and skilled individuals who are aware of the potential misuses of, and unauthorised access to, computer systems but who use these competences for legal and ethical purposes

### Attendance Pattern

Tuesday and Thursday afternoons (1.30pm to 4pm).

### Pupil Eligibility

It is envisaged that pupils will be working at the senior phase of the curriculum and have clear interest in the subject area

### Qualification Breakdown

National Progression Award in Cyber Security SCQF level 6:

- Data Security
- Ethical Hacking
- Digital Forensics

### What opportunities will be available to me when I finish?

Successful completion of this award may allow progression to:

- NC Digital Media Computing SCQF Level 5
- NC Digital Media Computing SCQF Level 6
- NC Information Technology
- HNC/D Computing
- HNC/D Computer Games Development
- HNC/D Information Technology
- HNC/D Computer Networking
- HNC/D Interactive Media or Multimedia

Entry level jobs and training, including Modern Apprenticeships in the computing industry.

# Introduction to Health and First Aid

Glasgow Clyde College –Cardonald Campus  
**SCQF Level 6** – Open to S5/6 Pupils

## Course Outline

The course will take you through two units: the first is a unit in First Aid, which will teach you how to deal with emergencies and conditions; you will learn how to carry out CPR and first aid procedures on adults, children and babies. Through Health Sector: Health Awareness you will learn about the human body and some of the conditions that can affect it. You will also learn how to carry out basic observations used to monitor patient's conditions and identify results that need prompt action. Then you will investigate a local health issue such as heart disease or diabetes and develop a health promotion activity to highlight the causes and consequences of these conditions. As a group, you will put together a health promotion campaign that highlights the causes and preventative actions for these conditions.

## Attendance Pattern

The class runs on Thursday afternoons from 1.30- 4:00pm, starts in August, and runs through to the end of April.

## Pupil Eligibility

You must have:

- English at National 5

## Qualification Breakdown

The course is made up of two SQA units one in First Aid and one unit in Health Sector: Health Awareness.

## What opportunities might be available to me when I finish?

Depending on you other qualifications, you could go on to do;

- Level 6 Healthcare,
- HNC Care & Administrative Practice.
- Nursing or Allied Health degrees at University.
- Work in a care setting
- Work as a health Care Support Worker.

## Higher Psychology

Glasgow Clyde College – Anniesland Campus  
SCQF Level 6 – Open to S6 Pupils

### Course Outline

The central theme of the Higher Psychology course is to enable you to investigate psychological knowledge and research, which will promote your understanding of individual and social behaviour. You will analyse and evaluate concepts, theories and approaches, and will draw on research evidence to explain human behaviour.

### Attendance Pattern

Tuesday and Thursday afternoons (1.30pm to 4pm). The duration of the course is August until May

### Pupil Eligibility

You must have:

- A pass in Higher English at A or B level

### Qualification Breakdown

Psychology SCQF Level 6:

- Psychology: Research
- Psychology: Individual Behaviour
- Psychology: Social Behaviour

This course is very demanding in terms of written work, study at home and group work.

### Course Assignment

The purpose of the assignment is to assess your use of research and communication skills appropriate to psychology. This assignment requires learners to carry out their own primary research based on a brief provided by SQA and produce a psychological research report. The class will design the research in groups, collect data and analyse. Reports must be written up individually but the tutor will give support.

This assignment will give learners an opportunity to demonstrate the following skills:

- using research skills to generate, select, organise, interpret, analyse and evaluate information in psychology
- using communication skills to present information, including a report on psychological research

### What opportunities will be available to me when I finish?

You might go on to do:

- HNC/D courses in social science at college or university degree courses in psychology, neuropsychology, arts, social sciences, sciences, criminology or business studies. The level you might enter would depend on the level and relevance of your other qualifications

# HNC Coaching and Developing Sport

Glasgow Clyde College – Langside Campus

SCQF Level 7 – Open to S5/6 Pupils

## Course Outline

The **HNC** award is designed for those with an interest in Coaching and Sports Development; to gain a recognised qualification which, in itself, may help you gain access to employment in the industry. The purpose of the award is to prepare you for further study and eventual entry to employment within the sports' industry or other associated employment sectors.

You will undertake 12 credits and after successful completion of this award you will be eligible to progress onto HND year 2 or apply for second year at University.

## Attendance Pattern

The course will be delivered from August 2019 until June 2020 and will involve attending college on Wednesdays 9:15am – 4pm & Thursdays 9:15am – 4pm.

## Pupil Eligibility

You must have:

- One Higher at C Grade or above in English or sitting Higher English
- A passion for sport
- Experience of participating in a variety of sports.

## Qualification Breakdown

The course will include units on:

- Sports Coaching,
- Anatomy,
- Sports Development,
- Inclusive Sport,
- Nutrition,
- Conduct and Ethics,
- Fitness testing,
- Psychology and Research.

The Units within this course have a practical element and will involve you coaching in a real work environment.

## What opportunities might be available to me when I finish?

After successful completion of the course, you may move onto:

- Year two of HND
- Applying to second year at University
- Career in the sports industry

It may also lead to full-time or part-time employment, but for some it will serve as a 'stepping-stone' to continue their education and study. This award is designed to make these links accessible. There are links with number of Higher Educational Establishments and you may move directly to the second year of some courses. Successful candidates will be subject to an Enhancement Disclosure Scotland.

# PDA Criminology and Psychology

Glasgow Clyde College – Langside Campus  
SCQF Level 7/8 – Open to S5/6 Pupils

## Course Outline

This course is made up of two PDA awards. It is intended that you will undertake both PDA awards.

Please note: that due to the structure of these awards, it is possible to choose the PDA Criminology on its own as a single PDA. However, with the PDA in Psychology you cannot.

## Qualification Breakdown:

### PDA Criminology (GK8R 48) SCQF Level 8

This criminology award has 24 SCQF credit points and aims to provide you with an understanding of criminology including its contribution to the modern world and human behaviour. This course is designed for those who wish to pursue a career in the areas of legal services, social science or police studies. The award consists of 2 SQA units (3 credits), 1 in Criminology and 1 in Psychology.

### PDA Psychology (GK24 47) SCQF Level 7

This psychology award has 24 SCQF points and aims to provide an understanding of psychology and will look at the historical development of psychology since the 19<sup>th</sup> Century; four of the major schools of thought that have influenced development and the famous psychologists who have shaped the discipline. Analysis and research into psychological topics. The course consists of 2 SQA units (3 credits) in Psychology.

## Attendance Pattern

You will attend this course on a Tuesday and Thursday afternoon (13:30 – 16:00)

The PDA Criminology will be delivered from August 2019 to December 2019 and the PDA Psychology from January 2020 to May 2020.

## Pupil Eligibility

To undertake these awards you will be required to have Higher English at a B or above.

## What opportunities might be available to me when I finish?

Depending on your other qualifications, this award can progress onto:

- Sociology Advanced Higher Units,
- Legal Services HNC,
- Police Studies HNC,
- Social Sciences HNC,
- BA Criminology,
- BA Criminal Justice,
- BA Law,
- PDA in Police Service Leadership and Management

The PDAs also support the development of other higher order skills that are useful in many employment situations. Skills such as data handling, critical analysis and complex thinking skills are developed and achieved through the complexity of the material being covered as well as the activities inherent in the delivery and assessment of the subject matter.

The PDAs require you to go beyond the basic knowledge and understanding to analysis and evaluation of conflicting theories. Skills such as problem solving, research skills and reaching conclusions are advantageous in many occupations. These are transferable skills, not specific to one situation but adaptable for a variety of situations. It is these skills that employers want their staff to demonstrate. The PDAs support the growth of these competences.

# YMCA Level 1 Award in Fitness and Physical Activity

Glasgow Clyde College – Langside Campus  
SCQF Level 5 – Open to S5/6 Pupils

## Course Outline

The aim of this course is to introduce you to Exercise and Fitness, both on a personal level and as an introduction to employment opportunities within the fitness industry.

## Attendance Pattern

The class runs two afternoons per week from 1.30- 4:00pm on Tuesdays & Thursday, starts in August, and runs through to the end of April.

## Pupil Eligibility

There are no prior knowledge expectations for learners undertaking this award. The only exception is that they look at ways to develop improvement in their own level of fitness and physical activity.

## Qualification Breakdown

To achieve YMCA Level 1 Award in fitness and Physical Activity you will have to achieve six mandatory units. These include:

- Exercise and fitness knowledge
- Understanding the health and fitness Industry
- Exploring Personal fitness
- Participating in Physical Activity in the Fitness Environment
- Assist in the delivery of an exercise session
- Introductory to Health eating.
