March 2019

Dear Parent/Carer,

Please find overleaf the timetable for your son's/daughter's S1 examinations that will take place on **Friday 26<sup>th</sup> April and Monday 29<sup>th</sup> April**. These exams introduce S1 pupils to some of the formal processes of exams and will help us gather information that will let us support them in the future.

We advise that S1 pupils take the opportunity to prepare for these examinations, but that they do not get them out of proportion.

You will note from the timetable that pupils will not sit a formal exam in all of their S1 subjects. Where appropriate, alternative assessment arrangements have been made by other departments to allow them to assess and monitor pupil progress.

## Exam details:

I will brief all S1 pupils prior to the exams to confirm details and allow pupils to ask any questions. Pupils should also note that:

- When not in exams, S1 will be in normal classes or tutor time where they will be given time to revise
- Seating plans will be displayed outside the Assembly Hall
- Pupil conduct should be exemplary
- Pupils should ensure they have all the equipment necessary for each examination
- **Mobile phones are not permitted in the examination hall or room**

The results of the examinations, along with progress this year, will be included in the S1 reports and discussed at the S1 Parents' Evening. The S1 Parents' Evening, where you will have the opportunity to meet with your child's class teachers, is on Thursday 6<sup>th</sup> of June.

If you require any further information, please contact me at the school.

Yours sincerely

Miss Eleanor Trevena  
Acting Year Head for S1
