

Admissions Regulations

Charity Registration Number SCOO4463

The Board of Managers reviews the Admissions Regulations annually. We make decisions about admissions on the basis of the most up-to-date regulations. You can view these on the web site or obtain a copy from the School office. You may also wish to read the **Guide to Admissions** which offers a simpler explanation of the admissions process and answers some frequently asked questions.

www.jordanhill.glasgow.sch.uk

1. How do I make an application for admission?

You must make an application for admission on the **official application form**. You can get a form from the web site, the School office or by writing to the school.

You must submit the completed form to the Bursar. We will

- tell you what to do if your application is incomplete or unclear
- acknowledge in writing receipt of all applications
- confirm the **official date of receipt** and tell you on which list we have placed your child once you have correctly submitted the application form

If at any time you have an enquiry about the status of your application, then you should write to

The Bursar
Jordanhill School
45 Chamberlain Road
Glasgow
G13 1SP

Telephone 0141 576 2500

We will acknowledge all correspondence and confirm any changes in the category of an application - for example if a child moves into a designated (List 1) or supplementary (List 2) address.

Please make sure that all the information you supply is accurate and up-to-date. Failure to do this may have serious consequences for your application.

2. What are the criteria for getting a place at the School?

We decide which children will be offered places at the School after considering:

- (a) the **official date of receipt** of your application
- (b) your child's **permanent residence** (whether he/she lives in a designated or supplementary address¹
 - from the official date of receipt until and including the date of the School's offer of a place
and
 - at the date on which we expect your child to start at the School
and
 - for a period of at least six months after that date.

You will have to provide us with proof of permanent residence for designated and supplementary addresses.

You should always remember that just because your child lives at a designated or supplementary address does not guarantee that we will be able to offer a place for your child.

- (c) whether your child has a brother or sister who is a **qualifying sibling** (see appendix 1)
- (d) whether we can meet any Additional Support Needs your child may have (see clause 4)
- (e) whether your child has a twin (or triplet etc.) to whom the School has offered a place where the School placed/entered both children (or all the children) in the waiting list at the same time. Where we can offer only one twin a place, we will offer the next available place to the remaining twin. We will apply the same principle to triplets, quadruplets etc.

We will apply these criteria to

- places in the first year of Primary
- additional places that are available in the first year of Secondary
- casual vacancies which arise at other times from P1 to S2

3. How do the waiting lists work?

The School has three lists of applicants for admission. In order of priority these are

- List 1** Children whose permanent residence is a designated address
- List 2** Children whose permanent residence is a supplementary address
- List 3** Children who live elsewhere

We give applicants on List 1 priority over applicants on List 2 who in turn are given priority over applicants on List 3. Within each list we give priority to children who have a qualifying sibling². We then determine priority according to the official date of receipt of the application.

¹ See Appendix 2

² See appendix 1

You must notify us as soon as possible in writing of any change in the child's address or other circumstance which could affect the application for admission.

We will determine applications for admission on the information available to us at the relevant time. It is your responsibility to ensure that we have the most accurate and up-to-date information. This includes information about qualifying siblings or additional support needs which your child may have. If you do not provide this information to us, your child's application may lose priority or we may reject it.

If your child changes his/her permanent residence into or out of a designated or supplementary address, we will move his/her application to the appropriate list in accordance with the conditions below:

We will move children from List 3 to List 2 or from List 2 to List 1 only if we receive and are satisfied with proof of the family's permanent residence in an appropriate address. If we move your child to a higher priority list, then we will change the official date of receipt of the application to the later of the date of

- the child's move to the higher priority address
- receipt by the Bursar of written notification of the move from the child's parent or carer

If your child moves to a lower priority list, then we will not change the official date of receipt. It remains the date of the original application.

We will move children whose names are on a higher priority list to the relevant lower priority list if permanent residence in the higher priority address is broken or interrupted during the period on the waiting list unless we have given consent for a **temporary absence** as set out in clause 9.

For the purposes of determining the annual offer of places for entry to P1 and S1 in the subsequent August, the place on the waiting list of each child shall be determined by the application of the Regulations as of 30th September in the preceding year.

That is, if a child moves from List 3 to List 2 or to List 1 or gains sibling priority after 30th September, then that change in circumstances will not normally be applied until after the normal cycle of offering places concludes on 1st March each year. However, it will be back dated to the date at which the change occurred for the purposes of future application of the Regulations.

Other Residence Arrangements

The Regulations do not discriminate in any way between owner occupiers, those renting or letting from Housing Associations or registered landlords, or extended families residing together. The only test is that you genuinely live at the registered address and all applicants are required to provide substantive proof thereof.

Information held on each applicant is checked in detail prior to the offer of any place in P1 and S1 or at any other time when an occasional vacancy arises. Applicants are required to produce proof that their address is accurate and of the length of time they have been resident there. This will be cross-checked against a range of publicly accessible data and further additional discretionary checks undertaken if necessary.

"Permanent Residence" and Separated families

In the case of separated families where only one parent/carer lives in a designated or supplementary address, we will include the child's name in the appropriate list only if that address is his/her permanent residence for at least 50% of the time. We will request confirmation of this in writing from each parent / carer. We will also seek to validate this confirmation through further additional discretionary checks if necessary.

4. Additional Support Needs

The Board of Managers of Jordanhill School is committed to the principle of all local children living in designated or supplementary addresses having equal rights of access, if this can reasonably be provided within the terms of the relevant legislation^{3 4}.

It is important that you tell us if your child has Additional Support Needs and/or an existing Additional Support Plan or Child's Plan of any type. We need to know at as early a stage as possible so that we can discuss appropriate arrangements with you and other agencies if necessary. Lack of forward planning can mean that we are not in a position to admit a child whose needs we might otherwise have been able to meet. We consider all such cases sympathetically, on an individual basis.

Whether we will admit a child with Additional Support Needs is conditional upon:

- a) The parents'/carers' full disclosure to us of the child's needs or disability. We need access to all the relevant information so that we can make appropriate plans for the child.
- b) The capacity of the School to meet the child's specific additional support needs as outlined in our policy on Assessing Children's Educational Needs. You can find this policy on the web site or obtain a copy from the School Office.
- c) Agreement between us and the child's parent/carer about the stages for which the School is offering a place. In particular, transition from Primary to Secondary will be dependent upon a review of the child's needs and the evaluation of any difficulties which the child may have in accessing an appropriate education.

³ The Education (Additional Support for Learning) (Scotland) Act 2004 does not apply to Jordanhill School. The school is not a local authority as defined in the Act. It does not have the powers of a local authority and is not funded to provide the range of services provided by a local authority. On admission to Jordanhill School a child is likely to lose access to any support services previously provided by a local authority.

⁴ The Equalities Act 2010 does apply to Jordanhill School and the school will not discriminate against an individual with a protected characteristic in its offer of places.

5. Offers of and Accepting a Place

For all children admission to the school and continued enrolment are conditional on the School being able to meet the educational needs of the child from within our existing resources and without incurring unreasonable public expenditure.

In September/October of each year we check the details of all applicants for the subsequent school year, apply the criteria and finalises the waiting lists. We then proceed as follows

- a) If your child is already in Primary 7 at the School, we will normally give your child the opportunity to proceed to Secondary 1. In November, we will ask parents/carers to confirm acceptance of the place in Secondary 1 for the following August. If your child has significant additional support needs, we will review our capacity to meet those needs in consultation with you and any supporting agencies before deciding whether we can offer a place.
- b) If your child is not at Jordanhill School and he/she is sufficiently high on the priority lists, then normally in November we will make a provisional offer of a place for entry to the first year of Primary or Secondary in the following August. You then have two weeks from the date of offer to send your written acceptance to the Bursar. In most cases we will confirm your child's place in January.
- c) We keep a small number of places vacant pending the outcome of appeals. We normally offer the remainder of the places before the end of February.

If you accept a place and subsequently withdraw at any date after 1st March before entry in August but still intend to keep your child on the waiting list, your child will lose any right to sibling priority.

Through the processes of transition planning the School will be advised if you are holding a place at another school. If you do not specifically decline all such offers by 30th April, then the offer of a place at Jordanhill School will normally be withdrawn and your child's name will be removed permanently from the waiting list.

We will normally only grant exceptions to the 1st March and 30th April deadlines where we have agreed to consider your child's needs under clause 4 (Additional Support Needs) or clause 7 (Deferred Entry). In such cases, we will agree with you an alternative date for final confirmation of acceptance of any offer.

Casual Vacancies

Casual vacancies may arise during the school year as a result of children leaving the School. With the exceptions noted above, we deal with such places as follows

- We offer places in P1-P7 and the first two years of Secondary to those on the waiting lists, at the time when the vacancy arises.
- We offer places in S3 and S4 to children on Lists 1 and 2 only. If no-one accepts the vacancy, we will not fill it. We will subsequently make the place available to anyone at the appropriate stage who moves into a designated or supplementary address and joins the waiting list. Even if you decline the offer of a place in S3 or S4, you will still be able to apply for a place in S5.

6. Early Entry to Primary 1

We will not admit your child to Primary One if your child's fourth birthday is after the statutory date of 28th/29th February of the year in which you are applying for admission. If your child's fourth birthday falls after the 28th/29th of February, we will not admit him/her to P1 in the August of that year.

If your child is at another school to which they gained early admission we will transfer or add your child to the School's waiting list for their actual stage of schooling. When transferring your child from the list for the year in which he or she would normally have started school to the list for the year before that one, then we will give him/her the same place on that list as he/she occupied on the original one. (E.g. if he/she was in 72nd place in his/her original year, we would put him/her at 72nd place on the preceding year.)

7. Deferring Entry to Primary 1

If you think that there are exceptional circumstances which would justify deferring your child's entry to the School you should inform the Bursar in writing as soon as possible. We will not consider requests for deferred entry before the 1st of September of the year before your child's expected date of admission.

You must remember that you have no automatic right to defer your child's entry to the School.

a) In all cases where we agree to a request to defer entry, we will move back the official date of receipt of the application or of transfer between lists by 1 calendar year. Your child will not accrue any benefit simply by deferring entry.

b) Assessment of Readiness to Enter P1

In cases where we have offered or would be likely to be offer a place to your child, we will normally undertake an informal assessment of his/her readiness to access the curriculum in Primary 1 unless you have already provided sufficient educational evidence and we are satisfied with it. Normally this will be enough to inform any decision we will make, but we reserve the right to insist on any further assessments we consider necessary to determine the child's readiness for school. If you refuse such assessments, and you still decide to defer your child's entry to the School, then we will regard your decision as not having the agreement of the School and clause 7(e) shall apply.

We will not normally assess a child to whom we are not offering a place. If you request such an assessment, then we will charge the costs to you. We will adjust your child's place on the waiting list in accordance with clause 7(a). If we reject your request to defer entry, then clause 7(e) will apply.

c) Children (offered a place) whose 4th birthday falls between 1st January and 28th/29th February

We will advise you of the outcomes of the assessment(s). You can then choose to defer or not subject to the application of clause 7(a). However, you should remember that you take the decision to defer entry at your own risk. We cannot guarantee that we will be able to offer your child a place in the following year.

d) Children (offered a place) whose 4th birthday falls before 1st January

If the assessment(s) and any supporting evidence indicate that your child is not ready to access the curriculum for educational reasons, then you can choose to defer your child's entry or not subject to the application of clause 7(a). However, you should remember that you take the decision to defer entry at your own risk. We cannot guarantee that we will be able to offer your child a place in the following year.

If the assessment and supporting evidence indicate that the child is ready to access the curriculum and you still wish to defer entry, then clause 7(e) will apply.

e) Deferral without the agreement of the School

In all cases where we do not agree to a request to defer entry we will change the **official date of receipt** of the application to be the date of notification of your decision to defer entry. In this case, your child will also lose the right to any sibling priority.

We reserve the right to refer any case to the appropriate agency and to suspend or refuse a request to defer accordingly, for example, where we consider that the actions of the parent/carer are placing the well-being of the child at risk.

8. Becoming a Member of the Jordanhill School Company

If the School admits your child, then you must become a member of the private company limited by guarantee with charitable status, known as "Jordanhill School". You can read the Conditions of Membership at the School Office or in the Admissions section of the web site. Your membership starts on the first day your child attends the school permanently. It does not apply from the date of any offer of a place or during induction days or events.

9. What is the impact on applications of Temporary Absences from our permanent residence?

The Rector at his sole discretion may allow your application to retain its place on the relevant waiting list if

- your application is on waiting Lists 1 or List 2
- you are or intend to be temporarily absent from your permanent address for a period not exceeding six months
- you have submitted at least 8 weeks before the start of any period of absence a written request to the Rector to hold the place of your application and
- you resume your permanent address in a designated or supplementary address within the time that the Rector may have agreed with you in writing

The Rector will submit to the Board for its approval any written request for absences between six months and one year.

Where

- we offer a place to a child who will be temporarily absent from his/her normal place of residence when he/she would otherwise have started to attend the School, and
- the vacancy is for a period not exceeding six months.

then, the Rector will have the discretion to decide whether to keep that the place for that child pending the return of the child.

The Rector will submit to the Board for its approval any written request for absences lasting between six months and one year.

These same procedures will operate if a parent/carer requests that the School remove a child temporarily from the School roll. In such circumstances we will ask the parent/carer to produce such evidence as the School deems fit to substantiate the claim that the absence will be temporary.

We will normally limit “temporary absences” as described above **to one calendar year**. We will not normally consider consecutive or repeated requests for temporary absence.

If you are granted a temporary leave of absence, then no other person who, during the period of temporary absence, may be in occupation at that address either by virtue of a lease or temporary transfer of ownership will be entitled to use that address for the purposes of his/her child or children gaining admission to the School.

10. Protecting Children's Interests

We have devised these regulations so that they

- are as fair and transparent as possible,
- consider the interests of all children and
- ensure that there is no bias in terms of gender, race, religion or disability.

In particular, we have designed the regulations to prevent manipulation by anyone seeking to bypass the principles upon which they are founded.

Parents/carers must make sure that the information that we hold on children's applications is accurate and up-to-date. If you are unsure about how the admission regulations apply, you must seek clarification from us.

In particular, **you must not**

- use a 'false' or misleading address to support an application
- breach the 6 months permanent residency rule after the admission of the child
- claim sibling priority inappropriately

If we believe that

- you have provided false or misleading information to us in support of an application for a place at the School or
- you have accepted an offer of a place at the School and we made that offer based on false or misleading information that you have provided

then we may apply sanctions against you including but not limited to

- removing your child permanently from the waiting lists
- applying a time penalty to the 'official date of receipt'
- refusing to consider an application within a set period
- withdrawing sibling priority
- withdrawing any offer of a place which we may have made
- requiring parents/carer to withdraw a child already admitted to the School

We may apply these sanctions singly or in combination and in relation to the application in question and/or any other applications from the same family.

We reserve the right to remove a child from the School roll if his/her parents/carers refuse to comply with a request from us to withdraw the child.

The school may remove from the waiting list or decline to admit a child in circumstances where the presence of that child or the parent(s) of the child could be seriously detrimental to the well-being of an existing pupil and, in particular, when a Court order or ongoing Child Protection investigation indicates that this would be appropriate.

11. Appeals

An Appeals Committee of the Board of Managers will adjudicate any dispute, uncertainty or special circumstances arising in relation to the operation of these regulations.

The Appeals Committee will consist of two parent members of the Board of Managers and a third member who shall be an individual external to the school, a co-opted member of the Board or adviser to the Board as available and appropriate to the circumstances of the case.

If you wish to appeal against a decision of the School's officers, then you must do so on the standard appeals form available from the School and submit this promptly to the Bursar.

The Appeals Committee of the Board will normally hear appeals within one calendar month from the date of receipt of the appeal.

The Appeals Committee will be the sole arbiter in the interpretation of these Admissions Regulations and its decision is final.

Appendix 1: Definitions and Interpretation

In these Admission Regulations

“You”	means the parent/s or carer/s of a child who is/are making an application for admission to the School
“We”	means the Board of Managers of Jordanhill School or the officers of the School as the context requires
“the School”	means the private company limited by guarantee known as “Jordanhill School”, 45 Chamberlain Road, Glasgow, G13 1SP
“the child”	means the child in respect of whom you are making an application for admission
“the Board of Managers”	shall have the meaning ascribed to it in the School’s Articles of Association dated 3 December 1987
“permanent residence”	<p>Permanent residence means that the family, i.e. the child and his/her parent(s)/carer(s), resides indefinitely at this address and satisfies one of these conditions:</p> <ol style="list-style-type: none">1. owns the property2. rents the property from a recognised Housing Association3. rents the property from a letting agency <p>Recognition of any other form of permanent residence is at our discretion.</p>
“qualifying sibling”	<p>A qualifying sibling is a pupil who has been enrolled in the School no later than the end of his/her First Year in Secondary and will still be a pupil of the School at the date when the sibling is enrolled.</p> <p>So, a pupil in S6 is not a qualifying sibling for a child seeking a place in P1.</p> <p>A sibling relationship is established by the genetic sharing of one or both legally established parents or where that legal relationship has been established through some other mechanism such as adoption. A sibling relationship may not exist if the shared genetic parent has no legal status or such status has been circumscribed by the Courts.</p> <p>Birth certificates and other relevant documentation will be required to establish the relationship.</p> <p>Qualifying sibling status does not apply to young people resident in Jordanhill Park until 5 years after their residence is recognised for inclusion in List 1.</p>
“Statutory Date for Entry”	The School will only admit children to Primary 1 whose fourth birthday falls before 1 st March in the year they wish to be admitted. That is, if their fourth birthday falls after the 28 th /29 th of February they will not be admitted to P1 in the August of that year.

Appendix 2: Explanatory Note [This is not part of the Admissions Regulations]

Introduction

Successive Boards of Managers have operated on the principle that the School's prime function is to serve the community within which it sits. The School's partnership with the community has been recognised as a major strength.

Accordingly, the Board of Managers have designed the Admissions Regulations to give priority to those who are resident locally, who have been resident longest and who have existing ties with the School through siblings.

From the outset it is important to understand that the 'catchment' for Jordanhill School is not a geographical area, but lists of specific addresses

- List 1 - Designated addresses
- List 2 - Supplementary addresses

At present only applicants from designated addresses ever gain admission to the Primary department. In most years only applicants from designated addresses gain admission to Secondary 1. Often there are insufficient places for all such applicants. In some years, however, a small number of places become available in Secondary for applicants not on List 1. The Board of Managers has created the list of supplementary addresses to give priority to 'local' children over those who clearly live further away.

List 1 Designated Addresses

The list of designated addresses is set out in appendix 3. The Board of Managers "froze" this list from 18th September 2001. The Board of Managers have not included in the list any new housing developments in the Jordanhill area. In cases of doubt parents or carers should seek clarification from the Bursar.

Except where the owner has sought and obtained the prior written approval of the School for the inclusion of the property in the list of designated addresses, the School excludes from the list of designated addresses properties that at any time the owners have converted into multiple dwellings.

The Board will consider applications for inclusion in List 1 relating to properties which have been omitted due to some historical oversight or which are being returned to their original function and status.

List 2 Supplementary Addresses

In simple terms, supplementary addresses are those that prior to 18th September 2001 the School might have recognised for inclusion in list 1. That is, they represent new developments, adaptations or conversions which the School excluded from list 1 as a result of the freeze.

The list of supplementary addresses is also set out in appendix 3. There is no automatic right of inclusion in list 2. The Board of Managers makes decisions on the status of individual addresses when the Board of Managers becomes aware of their existence. Occupiers or developers who consider that an address might merit inclusion should write to the Bursar providing full details of the property

- Address
- Date of completion (building or adaptation)
- Details of vehicular and pedestrian access routes.

The Board of Managers reserves the right to freeze list 2 at any point.

At some point in the future it may be feasible for the Board of Managers to transfer some or all supplementary addresses to the list of designated addresses. The Board of Managers is the sole arbiter as to the merits or otherwise of so doing. It will not consider individual applications for transfer at this time. The Board of Managers considers the status of supplementary addresses as part of its annual review of the Admissions Regulations.
