

Dear Parents/Carers,

We are excited to be launching the Jordanhill School Interhouse Race from Glasgow to Paris on Monday 1st February. This is a virtual race, among the four house groups, to see who can get from the school to the Eiffel Tower first. The event is open to pupils, staff, parents and family members, and we would like as many people as possible to sign up. To join the event, you will need to download the Strava app. The free version is all that is required, so there is no need to choose any subscription options. Strava has been recommended by other schools who have organised similar events.

Please watch the following video, also found on our sports blog, [Interhouse Race Strava tutorial](#) which provides further details about the event, how to use the features of the Strava app and logging distances for your team.

It is highly recommended to watch the video tutorial first, but a shortcut to join each house team can be found here:

<https://www.strava.com/clubs/crawford>

<https://www.strava.com/clubs/montgomerie>

<https://www.strava.com/clubs/smith-jhill>

<https://www.strava.com/clubs/stjohn>

Like all third-party websites, pupils and parents are advised to check the privacy statement of the company with regards to the data sharing and storing arrangements before signing up:

[Strava Privacy Policy](#).

Privacy settings can also be adjusted in the Strava app and a blackout zone can be created that hides your home address up to 1km.

Thank you for reading about this event and I look forward to seeing you join a team. Updates of the race will be provided on Microsoft Teams and the school's Twitter page. Good luck to everyone involved and may the best house win!

Kind regards,

Andy McCall
Head of PE

Jordanhill School
