John Anderson, Rector (2020-)

Welcome to our belated Centenary Dinner in the magnificent Kelvingrove Art Galleries and Museum. Many years of planning have gone into our celebrations and it is a delight to finally have this opportunity to bring the Jordanhill family together. That we are able to attract so many former pupils, former staff and parents to this evening reflects the warmth and affection we all hold for our school.

I joined Jordanhill School in 2007 as the Head of Chemistry and then became Depute Head Teacher in 2012. After a brief period serving the Scottish Government as a school inspector and working for St Aloysius' College in Glasgow, I returned to the school as Rector in late 2020. It was a joy to be appointed and it is privilege to serve as the Rector of this wonderful school.

I hope you enjoy tonight's celebrations and that you continue to hold Jordanhill School close to your heart. I am grateful for your on-going support of Jordanhill School and extend a warm welcome to you for both this evening and our open day tomorrow. Please stay in touch and support us in our endeavours to help future generations of Jordanhill pupils strive for the highest.

Jennifer Reoch, our host for the evening

Jennifer is a former Miss Scotland and a Law and French University graduate who began her on screen presenting career in 2014 as the co-anchor of STV Glasgow's The Riverside Show. She is no stranger to being in front of the camera though, modelling from the age of 12 working on jobs from Berlin to New York with clients such as L'Oréal, Amanda Wakeley and Jenners. After placing 7th at Miss World her presenting career flourished working on Live Scottish Television on

shows such as Live at Five, The Edinburgh Festival Show and became the face of The Scottish Children's Lottery.

The last couple of years have seen Jennifer as co-host on Heart Radio Scotland Drive time show every weekday between 4-7pm - from interviewing Scotland's First Minister to Love Island's Paige Turley the variety of content tackled throughout these live broadcasts is vast!

BBC One's The One Show; ITV's This Morning and BBC 1 NI/BBC Scotland's travel show 'Getaways' are amongst some of the most notable recent television work.

Jennifer retains a secret passion for chemistry having been taught the subject by our Rector, Mr Anderson, in a previous school.
