Notes

- Only one clothing grant can be paid per child per school session (August – June). The closing date for Clothing Grant applications is 31st March each year. Applications received after 31 March will not be processed. Please contact the Depute Bursar for more information.
- Pupils eligible for free school meals are given the equivalent of £3.80 per day to spend on a meal. This is credited to their account daily. The school **MUST** be informed immediately of any change of circumstances affecting the provision of school meals. Please note that all children in primary 1 to 5 get free school lunches. This applies to all children in these years - your family's financial circumstances don't matter. Your child might still get a free school meal if you're experiencing financial hardship – please contact the Depute Bursar.
- Parents with children attending school who are over the statutory leaving age of 16 can apply for an Education Maintenance Allowance, forms are available from the school office or Glasgow City Council. Pupils who are eligible to apply for an EMA will not be eligible to a Clothing Grant for the next session beginning in August, however, they may be entitled to Free School Meals.
- Financial Support for Residential Trips/Music/Sports Fees
If you are eligible for Free School Meals and/or a Clothing Grant, the financial assistance given would be 50% of the cost of the fees or trip.
If the household income is more than £17,005 but less than £25,000 the financial assistance given would be 25% of the cost of the fees or residential trip. Please provide evidence of income.
- If you do not have your WTC or CTC award letter, please contact the helpline on **0345 300 3900** and ask for a copy.
- Where parents are separated and costs shared, the school may contact you to discuss these arrangements in considering financial assistance offered.
