Chemistry  
Physics  
Geography  
History  
French  
Mandarin  
Spanish  
Music

At Higher

Scottish Leadership Award  
Foundation Apprenticeship  
(1 year)

### Notes

- Where appropriate, individuals may be offered National 3 in S4 or National 4 in S5 or S6.
- Subjects offer their own progression routes.
- Normally the Scottish Credit and Qualifications Framework (SCQF) levels equate as  
SCQF 4 = National 4    SCQF 5 = National 5    SCQF 6 = Higher    SCQF 7 = Advanced Higher
- Both the Foundation Apprenticeship and College programmes take place with partners out with Jordanhill school.
- In many subjects, bi-level teaching may take place (eg National 5 and Higher in one class or Higher and Advanced Higher in one class).
