March 2026

Dear Parent/Carer,

School Food Service Prices
Jordanhill School is committed to offering good value, healthy and nutritious school meals to all our pupils. The school remains passionate about sourcing the best quality for the best price and will continue to work diligently in this respect. However, as much as we do our best to minimise additional costs, the increases in food prices, cost of living and running costs, does require us to increase the cost of our meals. Consequently, an increase shall take effect from **20 April 2026**:

- **The current primary meal price of £2.35 will increase to £2.45**
- **The current secondary meal price of £2.90 will increase to £2.99**

Meals at Jordanhill School are made daily by our very qualified and experienced chef, supported by a team of assistants. We have recently recruited a new catering manager and a new chef; both are bringing new recipe ideas to the table and conjuring up the tastiest of meals and soups, all homemade. The pupils are enjoying a variety of new soups and many new varieties of fresh fruits and vegetables every day. This has brought new variety to menus which are currently being revised and will be published shortly. Our pupil focus groups tell us this is a contributing factor to the high uptake levels in primary and lower secondary and share their excitement in interest in these new menu choices.

Snack items, including drinks and desserts are priced individually and are subject to ongoing minor price changes as the market dictates.

The price changes will not affect pupils in receipt of Free School Meals (including all pupils in P1-P5) as the allowance offered to these pupils will be increased to cover these meal options. Please note that families on low income or those who are in receipt of income support, tax credits or income-based jobseekers' allowance may be entitled to free school meals and/or a uniform allowance. For full information regarding this please visit the financial support area of our website.

Further Information and Feedback
As we enter the final term, we will continue to consult our pupils on the food service to capture feedback and learning. Our pupils will be invited to share their views with us.

We welcome your parental comments. Should you wish to leave any comments, feedback or compliments, please tell us here. Should you wish to find out more about the food service in Jordanhill School, including menu details, please visit the School website here and do contact us should you have any queries.

Thank you for the support given to the food service at Jordanhill School.
