H = Home | A = Away | TBC = To be confirmed

I will confirm at the start of each week whether each age group is playing **home or away**, along with all the relevant details. This information will be shared through **Microsoft Teams, the school blog and Google email**.

Please note that the fixture schedule may change during the season. I will do my best to keep the schedule updated as soon as I receive any changes.

If you have any questions or issues, please don’t hesitate to get in touch.
